

Sports Premium Funding Report for 2015 – 2016 New Hinksey C.E. Primary School

Priority/Aim	Actions/How	Costs	Evaluative Comments
To be able to provide skilled PE coaches to different aged classes twice a week to extend the range of skills and sports on offer	<ul style="list-style-type: none"> - Club energy coaches in to school Tuesday, Thursday and Friday - Coaches to provide any specialist equipment not available in school - Specialist dance teacher to teach a term of dance - Classroom staff to observe ideas and techniques for high quality PE 	35 weeks x 6hrs @£30 per hr = £6300	Very positive impact on enthusiasm and participation. Greater variety of specific sports/games skills being covered. Dance teacher has been very successful and has inspired some more reluctant dancers! Children really enjoy sessions. Some pupils have taken up out of school coaching and team sports run by the same coaches. Enthusiasm for sports has led to an after school football club being set up by the sports coaches. School staff develop new skills and greater repertoire of PE games and activities.
Purchase of some additional PE equipment: athletics equipment (soft discus and javelin), balls for different sports, agility ladders, catching targets, sensory balls, qwik cricket.	<ul style="list-style-type: none"> - Ordered and stored in PE storage 'cottage'. 	approx £500	Increased ease of access to equipment in class groups, less sharing, more varied athletics, improved skills in throwing disciplines, improved efficiency of time use as no sharing and waiting.
To enable KS2 children to swim 25m by providing weekly swimming lessons to Years 4 and 5 in local pool throughout the summer term.	<ul style="list-style-type: none"> - Weekly booking of pool - Training an additional member of school staff first level of swimming assistant - Additional TA time for swimming lessons so smaller groups in pool. 	<ul style="list-style-type: none"> - training costs 1 x £50 = £50 - TA hours 36 weeks x 1hrs @ £12 per hour = £432 - Pool hire and teacher costs £800 	Majority of children are confident swimmers on leaving school, nearly all can swim at least 25 m and those who have been non swimmers are mostly able to swim 10 m thus equipped with a life-saving skill.
